A NOTE FROM OUR PASTOR

Audubon United Methodist Church encourages each individual to challenge ourselves to go beyond our comfort zone to reach out to others to gently nudge them to build personal relationships with God. Each Sunday we are introduced to new challenges we can do.

1. Reach out to one person to have fellowship and pray for/with the person.

2. Invite one person to our worship service either online or in person.

3. Meditate and Share Spiritual Food of the Week with others.

4. Sharing our own produced testimonial videos with friends and families via Facebook, Twitter, or text message, etc.

Empowered by God - Responding by Grace

“Now as you excel in everything — in faith, in speech, in knowledge, in utmost eagerness, and in our love for you — so we want you to excel also in this generous undertaking” (2 Cor. 8:7).

We are entering into our annual stewardship emphasis entitled, “Empowered by God — Responding by Grace.” During this time, we will consider how God has empowered us and how our response, by grace through faith, can be used by God, especially in the ministry here at Audubon United Methodist Church.

Just what does it mean to be empowered by God? The Lord Jesus said that His disciples would receive power when the Holy Spirit came upon them (Acts 1:8). That not only happened as He said it would, but we, too, receive God's power by His grace through our faith in Christ as the Holy Spirit takes up residence in us. As we experience God's power

through faith in Christ, our hearts respond. Our response begins with the realization that God owns everything. As Edwin Frizen stated, “. . . Scripture is full of evidence that all that we have comes from God.” God is our Source.

And what should be our response to God’s provision for us? According to 2 Corinthians 8:7, we respond by “faith,” implicitly trusting God to provide all that we need. We respond by “speech,” sharing the good news of the Gospel with others. We respond by “knowledge” through the study of God’s Word. We respond in “complete earnestness,” that is, through a demonstration of the sincerity of our love for the Lord. And we respond by excelling in the “grace of giving.”

As an example of what it means to give by grace, the Apostle Paul points to the Christians at Macedonia. These were poor people — dirt poor, poor as the proverbial church mice — who were commended by Paul for giving beyond their ability to give. How could they do that? The answer is found in 2 Corinthians 8:5 — “. . . they gave themselves first to the Lord.” Giving does not begin with the movement of the hand to the wallet, purse or pocketbook. Giving begins in the heart. This principle is still in operation today. As we give our time, talents and treasure to the Lord, we do so by God’s grace because we have already given our hearts to Him.

“Empowered by God — Responding by Grace.” That was true of the Macedonian Christians. May it also be true of us here at Audubon United Methodist Church.

Next month we will be asked to make our Faith Promise to support the work of Audubon United Methodist Church in 2021. We cannot do it without you!

Christian Education and Anne Simpson

Train up a child in the way he should go: and when he is old, he will not depart from it. Proverbs 22:6

Kids outgrow everything except a good Biblical foundation. Please pray for our kids, teens, and

education program. We are looking for someone to co-teach our teens’ Sunday School class. Please contact Anne Simpson.

Volunteers Needed

We will continue streaming our worship online as well as worshipping in person.

- 1) We are looking for a few more volunteers who would be willing to edit the worship service after the Sunday worship service for posting on YouTube; and,
- 2) When we are in the sanctuary, assisting with either the camera or computer for livestreaming the service.

If you are interested, please contact the office.

Mission News by Bruce Krout

Real fast...Which state has the motto “The Land of 10,000 Lakes”? If you thought Minnesota, you would be correct. Another state with almost as many lakes is Florida. One of the mission organizations that we support is Jersey Cru- Metro and Alex Simpson-Aponte who was involved with sharing Christ at Stockton, Rowan, Kean, and Middlesex County Colleges.

You may recall that Alex preached to us during the transition period between Pastor Walt and Pastor Jisun. Things have changed a lot since then. Alex married fellow Cru member Joel Aponte and they are now working and studying at Cru headquarters located in Lake Nona, which is southeast of Orlando, FL. Both of them are involved in numerous Cru activities including digital ministry and personal skill development. Alex is, or will be, studying women’s leadership skill development and how to reach out cross culturally. She is also heavily involved with Cru on Facebook and Instagram both nationally and locally. Joel is involved with data research for Cru. Presently, one of his assignments is determining if Cru is reaching everyone demographically.

Remember when Cru was called Campus Crusade for Christ? This wonderful organization was originally founded in 1951 by Bill and Vonette Bright who began their ministry on the UCLA campus. Cru’s vision has always been to follow the Great Commission by reaching out to college students through evangelism and Bible study. This

God loving organization has created a great digital ministry for the world. Take some time to explore Cru.org to see the vast amount of information available that is focused not only on students (EveryStudent.com), but also athletes and military communities. Check out the 4-minute video on YouTube entitled “Falling Plates”.

It was great getting caught up with Alex. She is obviously “on fire” for the Lord. I love her energy. She asked many questions about our Church family and how we are coping with the pandemic. She is jealous, yet happy for us, that we are meeting physically and virtually. The churches in her area are newly planted ones that are mostly small groups that meet in area school settings. Don’t be surprised if she visits with us one Wednesday evening during our Comfort Food session.

From the Crakers

A Reflection I would like to share with you.

Psalm 33 begins: *Sing joyfully to the LORD, you righteous; it is fitting for the upright to praise Him.*

I am reminded that our hope and our assurance is not in our own strength, but in our heavenly Father’s strength. We can’t accomplish much without the Lord regardless of our training, our energy or our resources. On the same line, our fears, insecurities, and weaknesses are insignificant when compared to our wise, powerful Heavenly Father who calls us to do hard things in His name. One of those hard things for me was returning to the States. Yet, we can wait on Him because He is our shield, is steadfast and is so trustworthy. Throughout history, the Lord's promises and faithfulness are prevalent all through the pages of scripture. Therefore we can look up without hesitation and know that He is faithful and present even in our todays. Psalm 33 reminds me that when (not IF) we are surrounded by things that could so easily steal our hope and our joy, we can still trust in the Lord because He has proven again and again to be our rescue (v. 18-20).

Upon returning to the States, all of my insecurities about the unknowns of living in the States after so many years was a bit overwhelming. It was like experiencing reverse culture shock. But again, I remind myself of His character, His promises and His love over me, and I can be comforted in that truth because He is the Strong One, and I am not. What a great God we serve and worship.

As I was reflecting on Psalm 33, I thought I would share a few of my thoughts with you. I also wanted to use this opportunity to “retry” this contact software called *mailchimp* and see if I have everyone’s correct email address. We appreciate you so much! We praise the Father for His faithfulness and grace. I pray that we all can be certain of His promises and that we can be used as His vessels wherever we are.

Blessings to you, Michelle (for Denny too)

CHURCH FINANCES

Thank you to all of our faithful givers. Your gifts, in addition to the small loan received from the Small Business Association (through the Payroll Protection Plan), has enabled us to keep up with our bills.

The Finance Committee has begun work on our budget for 2021 and it is a challenge to forecast what our income will be in 2021 so that we can budget for our expenses. This year, we had to cancel Sunday School, the Easter Egg Hunt, Vacation Bible School, and Pumpkin Festival, not because of the finances, but due to Covid 19. Although the Live Nativity may not happen this year, we want to provide all of these programs next year for our community and for us. Hopefully we will also be able to make necessary repairs and improvements to the church properties and not put them off any longer than necessary. We also want to be able to forge ahead with Vision 2020 plans.

Some of you may have been affected economically by the pandemic and are wondering the same things. How much more can I put on a credit card and still be able to pay it off? Will we be able to take a vacation next year? The questions go on and on.

Please pray for wisdom for the church officers even as we are praying for you!
